Dear Mr. [REDACTED]

I am forwarding herewith a copy of a personnel count made at the Cafeteria in the Recreation and Services Building on June 25, 1951. I am also enclosing a copy of a previous count made on June 5, 1951.

It appears that the majority of the users of the cafeteria between the hours of 11:00 a.m. and 1:00 p.m. are employees of the Bureau of the Census and your Agency. I have been advised by a representative of the Bureau of the Census that an effort may be made to have the Census employees lunch between the hours of 11:00 a.m. and 12:00 noon, and that they may contact your Agency with the suggestion that your employees lunch between 12:00 noon and 1:00 p.m.

Very truly yours,

W. B. Montgomery
